

CHICKEN POWER

REF:

Sometimes people need to gossip
To feel on the wave
They can no longer control their lips
Soon as you cross their way

Talking too much to say nothing
Prevents to meditate
Chuckling chuckling like a chicken

As you know

Mat : I don't care the people talk on me
I try to keep the same message in my life to be real with myself

Jo : Hey men! Why criticize all days?
Bob said: judge not before you judge yourself

Mat : I try, but it's hard for me,
I can't hear myself, cause all around
The chicken noises make me feel so down

Jo : So try to resist reacting to their provocations
Keep silent, you'll get the revelation, you'll see

They will stop talking, pointing

The change is gonna come but I don't know
If those Chicken are ready to follow

REF

Well, Chicken power groove
Well, Chicken power Yéah, stop talking, move

Mat : I heard you said a bad things behind my back,
But why? I don't know

Jo: stop talking man and look at you,
Nobody listen to you
Don't forget that we're brothers and sisters of one another

Mat : I promise you that if I ever catch you talkin' about me,
I will tell you the truth about your wife and me

Jo: so keep quiet, leave them alone
If you need to gossip to feel good,
You face a wall, it's time to grow

They will stop talking, pointing

The change is gonna come but I don't know
If those Chicken are ready to follow

REF

You speak too much to be great
